Although cash donations are always needed and much appreciated, we believe that your unique skills, experiences, and resources can make a significant impact. Here are a few ways you can contribute to keeping our offices open:

Donate Goods for our office and our clients: Items such as gently used equipment and office supplies can greatly benefit our operations. Here's a list of our current needs:

Patient supplies: Shampoo (or 2-in-1 with conditioner), soap, deodorant, lotion, toothbrushes, toothpaste, floss, denture cleaner, razors, shaving cream, lip balm.

Medical supplies: These items cannot be expired: Stethoscope (2 needed), exam table paper (rolls), alcohol prep pads, cotton balls or gauze squares, large or XL medical gloves (non-latex), Clorox or Lysol brand disinfecting wipes (must be bleach free and listed as killing 99.9% of viruses and bacteria)

Volunteer Time: We welcome any time you can spare to assist with administrative tasks, patient support, or community outreach programs. Note that there is an application process if you are interested.

Professional Services: If you have expertise in areas such as legal advice, marketing, IT support, or any other professional field, your services may be highly valuable to us. Note that there is an application process if you are interested.
